

## Tables

No.	Title	File name
Table 0.1	Simplified national accounts in current prices, adjusted for GDP/GDE discrepancies	Introduction.xls
Table 0.2	Simplified national accounts in constant (1960) prices, adjusted for GDP/GDE discrepancies	Introduction.xls
Table 2.1	Population indicators in Taiwan	Chapter2.xls
Table 2.2	Population by age group (census years, 1905–2000)	Chapter2.xls
Table 3.1	Occupational population by sex and industry, 1905–1990 (census years only)	Chapter3.xls
Table 3.2	Farm-household population and persons working in agriculture	Chapter3.xls
Table 3.3	Number of working persons by industry	Chapter3.xls
Table 3.4	Public employees	Chapter3.xls
Table 3.5	Labor force and unemployment	Chapter3.xls
Table 3.6	Employed persons in mining and quarrying	Chapter3.xls
Table 3.7	Employed persons in manufacturing	Chapter3.xls
Table 3.8	Employed persons in electricity, gas, and water supply industries	Chapter3.xls
Table 3.9	Employed persons in the construction industry	Chapter3.xls
Table 3.10	Employed persons in transport, communication, and warehousing	Chapter3.xls
Table 3.11	Employed persons in commerce and services	Chapter3.xls
Table 3.12	Daily wages of agricultural workers	Chapter3.xls
Table 3.13	Daily wages in mining and quarrying	Chapter3.xls
Table 3.14	Daily wages in pre-WWII manufacturing (Odaka estimates)	Chapter3.xls
Table 3.15	Daily wages in electricity, gas, and water supply industries	Chapter3.xls
Table 3.16	Daily wages in the construction industry	Chapter3.xls
Table 3.17	Daily wages in transport, communication, and warehousing	Chapter3.xls
Table 3.18	Daily wages in commerce and services	Chapter3.xls
Table 3.19	Salaries of public employees	Chapter3.xls
Table 4.1	Production and value added in the primary industry (in current prices)	Chapter4.xls
Table 4.2	Product composition in the primary industry	Chapter4.xls
Table 4.3	Real value added in the primary industry (in 1960 prices), estimated by four alternative methods of aggregation	Chapter4.xls
Table 4.4	Production indexes in the primary industry	Chapter4.xls
Table 4.5	Output of major agricultural, logging, and marine products	Chapter4.xls
Table 4.6	Basic indicators for the primary industry	Chapter4.xls
Table 5.1	Production and value added in the secondary industry (in current prices)	Chapter5.xls
Table 5.2	Composition of nominal value added in manufacturing	Chapter5.xls
Table 5.3	Real value added in manufacturing (in 1960 prices), estimated by three alternative methods of	Chapter5.xls
Table 5.4	Composition of real value added in manufacturing (in 1960 prices)	Chapter5.xls
Table 5.5	Production indexes in the secondary industry	Chapter5.xls
Table 5.6	Production indexes of major secondary-industry products	Chapter5.xls
Table 6.1	Nominal value added in the tertiary industry (in current prices)	Chapter6.xls
Table 6.2	Real value added in the tertiary industry (in 1960 prices)	Chapter6.xls
Table 6.3	Nominal value added in wholesale and retail trade (in current prices)	Chapter6.xls
Table 6.4	Real value added in wholesale and retail trades (in 1960 prices), estimated by three alternative methods of aggregation	Chapter6.xls
Table 6.5	Nominal value added in transport and communication (in current prices)	Chapter6.xls
Table 6.6	Real value added in transport and communication (in 1960 prices), estimated by four alternative methods of aggregation	Chapter6.xls
Table 7.1	Aggregate nominal production accounts (before adjustments for GDP/GDE discrepancies)	Chapter7.xls
Table 7.2	Aggregate real production accounts (in 1960 prices), estimated by two alternative methods (before adjustments for GDP/GDE discrepancies)	Chapter7.xls
Table 7.3	Non-industrial activities and adjustment items	Chapter7.xls
Table 7.4	Nominal production accounts of the government sector	Chapter7.xls
Table 7.5	Real production accounts of the government sector (in 1960 prices), estimated by two alternative	Chapter7.xls
Table 7.6	Government receipts and disbursements (in current prices)	Chapter7.xls
Table 7.7	Composition of government consumption	Chapter7.xls
Table 7.8	Number of financial institutions	Chapter7.xls
Table 7.9	Nominal and real value added in financial and real estate industries	Chapter7.xls
Table 7.10	Financial and price indicators	Chapter7.xls
Table 8.1	Aggregate nominal expenditure accounts	Chapter8.xls
Table 8.2	Aggregate real expenditure accounts (in 1960 prices), estimated by two alternative methods of	Chapter8.xls
Table 8.3	Nominal private consumption expenditures	Chapter8.xls
Table 8.4	Real consumption expenditure (in 1960 prices)	Chapter8.xls
Table 8.5	Nominal gross domestic capital formation	Chapter8.xls
Table 8.6	Real gross domestic capital formation (in 1960 prices), estimated by three alternative methods of	Chapter8.xls
Table 8.7	Distribution accounts	Chapter8.xls
Table 9.1	Foreign trade	Chapter9.xls
Table 9.2	Foreign trade by commodity group (one digit SITC, 10 commodities), 1900–2000	Chapter9.xls
Table 9.3	Foreign trade by region (country or area), 1903–1938	Chapter9.xls
Table 9.4	Foreign trade by region (country or area), 1950–2000	Chapter9.xls
Table 9.5	Real foreign trade (in 1940 prices) by commodity group (one digit SITC, 9 commodities)	Chapter9.xls
Table 9.6	Unit-value indexes of external trade by commodity group (one digit SITC, 9 commodities), 1900–1942	Chapter9.xls
Reference table	Foreign exchange rates, 1900–2000	Chapter9.xls
Table 10.1	Comparison of GDE/GDP estimates	Chapter10.xls
Table 10.2	Nominal national accounts, adjusted for GDP/GDE discrepancies	Chapter10.xls
Table 10.3	Real national accounts (quasi-DGBAS method, in 1960 prices), adjusted for GDP/GDE discrepancies	Chapter10.xls
Table 10.4	GDP deflator, using the quasi-DGBAS-SNA-method series adjusted for GDP/GDE discrepancies	Chapter10.xls
Table 10.5	Real national accounts by Fisher chain-index method (in 1960 prices), adjusted for GDP/GDE	Chapter10.xls
Table 10.6	Nominal production by major industry sectors, as estimated by the Governor-General's Office	Chapter10.xls

## CD-ROM Tables

CD3.1	By-employment statistics, 1905	CD_Chapter3.xls
CD3.2	By-employment statistics, 1915	CD_Chapter3.xls
CD3.3	By-employment statistics, 1920	CD_Chapter3.xls
CD3.4	Comparison of occupational classifications, 1905-1920	CD_Chapter3.xls
CD3.5	Wages of industrial workers estimated by Odaka, by industrial classification and weight in 1930	CD_Chapter3.xls
CD3.6	Manufacturing daily wages as reported in factory-related documents collected by the order of Survey on Resources (in yen)	CD_Chapter3.xls
CD3.7	Average monthly working hours of employees (1966-2001)	CD_Chapter3.xls
CD3.8	Average monthly working hours of employees in the mining industry (1950-2001)	CD_Chapter3.xls
CD3.9	Average monthly working hours of manufacturing employees (1950-2001)	CD_Chapter3.xls
CD3.10	Average monthly working hours of employees in the electricity, gas & water supply industries (1950-	CD_Chapter3.xls
CD3.11	Monthly average working hours of employees in the construction industry (1973-2001)	CD_Chapter3.xls
CD3.12	Monthly average working hours of employees in the transport & communication industries (1973-2001)	CD_Chapter3.xls
CD4.1	Agricultural production indexes (in terms of growth rates over preceding years), based on Agricultural Yearbook of Taiwan (1947-2000)	CD_Chapter4.xls
CD4.2	Agricultural products estimated by Ishikawa (1905-1967)	CD_Chapter4.xls
CD4.3	Comparison of value added in the primary industry (1905-1948)	CD_Chapter4.xls
CD4.4	Comparison of the estimates of value added (in 1960 prices: millions of NT\$) (1910-1990)	CD_Chapter4.xls
CD4.5	Comparison between the production indexes by Ho and our estimates (1901-1964)	CD_Chapter4.xls
CD4.6	Agricultural census	CD_Chapter4.xls
CD4.7	Fishing census	CD_Chapter4.xls
CD5.1	Output of the mining industry (1897-1941)	CD_Chapter5.xls
CD5.2	Registered commercial companies (1914-1940 and 1965-2000)	CD_Chapter5.xls
CD5.3	Manufacturing output values, based on the annual statistics of Taiwanese commerce and industry (1921-1940)	CD_Chapter5.xls
CD5.4	Output of the manufacturing industry in nominal prices estimated by Shinohara (1912-1940)	CD_Chapter5.xls
CD5.5	Nominal value added in National Income in Taiwan Area of the Republic of China (1951-2000)	CD_Chapter5.xls
CD5.6	Comparison of manufacturing output estimates in nominal prices (1949-2000)	CD_Chapter5.xls
CD5.7	Distribution of factories before WWII (factories with more than 5 workers or motors) (1914-1917)	CD_Chapter5.xls
CD5.8	Manufacturing output (volume and value), based on factory-related documents collected by the order of Survey on Resources (1929-1940)	CD_Chapter5.xls
CD5.9	Census of manufacturing and commerce (1954-1996)	CD_Chapter5.xls
CD5.10	Water supply business by county	CD_Chapter5.xls
CD5.11	Annual real growth rates of manufacturing with the use of different weights	CD_Chapter5.xls
CD6.1	Nominal value added of the transport and communication industries (estimated by DGBAS) (1951-2000)	CD_Chapter6.xls
CD6.2	Number of registered vehicles (1952-2000)	CD_Chapter6.xls
CD6.3	Management performance of railway companies (1901-2000)	CD_Chapter6.xls
CD6.4	Indexes of business vehicles (1951-2000)	CD_Chapter6.xls
CD6.5	Transport quantity indexes (1952-2000)	CD_Chapter6.xls
CD6.6	Major indicators of the state of commercial and business (1937-1996)	CD_Chapter6.xls
CD6.7	Indicators of social and personal services (1912-1942)	CD_Chapter6.xls
CD6.8	Reported wage rate (used to estimate the value added of the tertiary industry in chapter 6)	CD_Chapter6.xls
CD6.9	Regulated businesses	CD_Chapter6.xls
CD7.1	Analysis of Public Finance of Taiwan, processed statistics series no.15, Institute of Economic Research, Hitotsubashi University	CD_Chapter7.xls
CD7.2	Estimates of fiscal disbursements and receipts in Wan and Wu [1995] (1896-1944)	CD_Chapter7.xls
CD7.3	Estimates of number of public servants and their salaries in Li [2001] (1897-1952)	CD_Chapter7.xls
CD7.4	International accounts (1896-1939 and 1981-2000)	CD_Chapter7.xls
Reference table	Revised international accounts in Pre-WWII	CD_Chapter7.xls
CD8.1	Capital stock in Taiwan before WWII (1910-1938)	CD_Chapter8.xls
CD8.2	National wealth survey (1998-1999) (trillions of NT\$)	CD_Chapter8.xls
CD8.3	Disposable income distribution (1996-2000)	CD_Chapter8.xls
CD9.1	Foreign trade by commodity group (One digit SITC, 10 commodities) and regions	CD_Chapter9.xls
CD9.2	Foreign trade by commodity group (Two digit SITC, 57 commodities)	CD_Chapter9.xls
CD10.1	Nominal national accounts (before adjustments for GDP/GDE discrepancies)	CD_Chapter10.xls
CD10.2	Real national accounts by simple-sum method (in 1960 prices) (before adjustments for GDP/GDE discrepancies)	CD_Chapter10.xls
CD10.3	Real national accounts by Fisher chain-index method (in 1960 prices) (before adjustments for GDP/GDE discrepancies)	CD_Chapter10.xls
CD10.4	Real national accounts by simple-sum method (in 1960 prices), adjusted for GDP/GDE discrepancies by simple-sum method	CD_Chapter10.xls
CD10.5	GDP/GDE deflator by components (DF(B))	CD_Chapter10.xls
CD10.6	Real national accounts by Fisher chain-index method (in 1960 prices), adjusted for GDP/GDE	CD_Chapter10.xls
